

Hiroshima ZERO GATE 2 opening on September 10, 2016

PARCO CO., Ltd, (PARCO) announced today that Hiroshima ZERO GATE 2 will open on Saturday, September 10 this year; the second ZERO GATE located in Hiroshima’s Hatchobori area.

Located opposite Hiroshima PARCO Main Building where Namaki Dori meets Hon Dori, Hiroshima ZERO GATE 2 will contribute to the Hatchobori area by further energizing commercial activity and increasing customer traffic.

Hiroshima ZERO GATE 2 opening on September 10

Image of completed building

WEGO will occupy the entire three floors of Hiroshima ZERO GATE 2.

The building’s facade features a clear glass curtain wall set-off by a wood-tone louver, creating a vibrant space.

Hiroshima ZERO GATE 2 will contribute to the creation of a commercial space that maintains the appeal of the surrounding area and further invigorates shopping in Hatchobori.

Tenant overview

WEGO provides the latest trend proposals that are “half a step ahead”, originating mainly in the street fashion of Harajuku, Tokyo.

As WEGO’s flagship shop for the Chugoku and Shikoku area, it will communicate Harajuku fashion trends to the region.

Items available: Men’s and ladies’ fashion
