Notes:
-Figures for net sales by segment include operating revenues

- Segment income or loss refers to operating income or loss
-PARCO's Entertainment Business earnings are included in Other Business
Non-operating income and loss
-Due to adjustments between business segment results, totals of business segment figures differ from consolidated figures
- Consolidated net sales increased on steady sales at PARCO and other factors such as the opening of 16 new NEUVE A stores.
- Consolidated operating income increased, reflecting sales growth as well as increased income from the opening of three ZERO GATE stores, along with reduced SG\&A expenses through the acquisition of Fukuoka PARCO land and building, streamlining store operation, and other factors.
- Consolidated ordinary income increased due to growth in operating income and reflecting a year-onyear decline in interest paid, which is recorded as a non-operating expense, and reflecting an absence of equity method loss on investment, recorded as an extraordinary loss in Q3 2012.
- Consolidated net income increased despite a loss on closing of stores, recorded as an extraordinary loss, and the absence of compensation for loss from damage, which was recorded as extraordinary income in Q3 2012. The increases reflected growth in ordinary income and a year-on-year decrease in loss on disposal of noncurrent assets.

-Sales by item, renovated zone sales year-on-year comparison, paying customers and average spend per customer are based on "integrated sales" of stores. "Integrated sales" demonstrate the overall sales capability of a store, and include net sales by tenants, sales at PARCO Theater and other facilities, and sales to tenants under fixed rent contracts
-Sales area is tenant area and common-use areas
-PARCO Card members and non-consolidated stores/sales area figures are correct as of November 30, 2013

- Sales were driven by Sapporo PARCO, Nagoya PARCO, and Shibuya PARCO (Urban Store Group) and Urawa PARCO (Community Store Group).
- Approximately $38,000 \mathrm{~m}^{2}$ of floor space was renovated in the first three quarters of 2013 . Sales in the renovated zones were up 9\% YoY.
- In sales by item, general clothing, driven by select stores, and related items, such as bags, were strong. Restaurants also performed strongly.
- PARCO Card purchases were strong, increasing $6.5 \%$ YoY, and sales were supported by growth in purchases by new PARCO Card members and Class S members (up $48.1 \%$ YoY and $47.4 \%$ YoY, respectively).
- In new business development, we opened three new ZERO GATE stores in Q3 and will open Fukuoka

PARCO New Building and Nagoya ZERO GATE next autumn. We have announced plans to open Sapporo ZERO GATE in spring 2016. A new store is scheduled to open in Matsuzakaya Ueno New South Building in autumn 2017.
